

## Barbershop Quartet Preservation Association

# BQPA/PIONEERS

## Flagstaff to start Harmony for Lunch Bunch

We are making an attempt to start a regular Harmony\_for\_Lunch\_Bunch in Flagstaff.

First meeting time and place is:

American Legion Building Flagstaff ... Thursday June 19th noon thru 2:30pm.

The American Legion has a large room adjacent to their bar, which will accommodate us. We must bring our own lunches and may purchase drinks at their bar. They are located at the corner of N. Humphreys St. (US !80) and W. Birch Ave.. with adequate parking off Birch Ave. ( I-17 north becomes Milton Rd, follow it thru the underpass under the RR tracks and take a left to Humphreys St. at the first light after the underpass, take a left on Birch Ave at the second light and promptly go right into the parking lot.)

We plan to sing some polecats and songs from the Heritage for Harmony songbook.

In group learning sessions where needed, followed by pickup quartetting. Forewarn any guests that this is not a spectator sport, but I'm sure you know the participants will have fun ringing some chords.

For any subsequent Thursday you may be in town and want to participate, please check with Bob Standfast ([770-313-1987](tel:770-313-1987)) OR [rstndfst@gmail.com](mailto:rstndfst@gmail.com). to get the proper time and place.

Should this succeed and become a permanent thing, we will provide an update.

Hope to see some visitors here over the summer to enjoy the cool mountain air and a bit of singing.
