

BARBERSHOP QUARTET CLUB

We were 13 at our September 8th meeting, and we had a very good time, of course. We had so many quartets singing that we now need an extra page to show all the pictures of them.

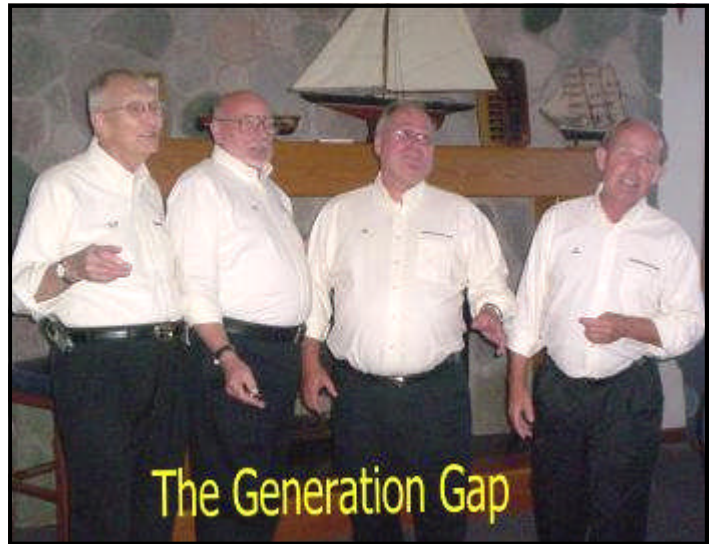

Perry Mellifont brought with him a friend from the Holland Chapter, Ken Cook. Ken sang in the quartet with Perry at our party in August, 2005; Milwaukee-Mingle #2, at the Harbour Towne Yacht Club. They were then the *Generation Gap*. Ken still sings a great Bass. Come again, Ken.

Dick Hester brought a friend too; it was old Methuselah:

Dick brought this verse, too:

“As you hobble thru your later years,
no longer standing tall,
Hold tight to old Methuselah
to soften every fall.
He’s old, yes, and decrepit,
frail of mind and body too;
But you won’t hear him complaining
‘cause he’s young compared to you.”

You’ve noticed that we always include this in every issue of these News Notes:

*“And wherever you go,
You’ll be happy, I know -
Singing a Barbershop chord!
Sing me a Barbershop chord.”*

That’s because we’re so fond of it. Not only because it’s a great sentiment - but also because it’s a great tune, too. So it’s on page three, here, for you to enjoy, as we do.

We treat it like one of our favorite tags; like, say, “Diane”; or, “Way Down South.”

When you’ve learned it, tell us how you like it. Better yet; record it and email me a copy, by sending me a wave file, in the file format, .wav.

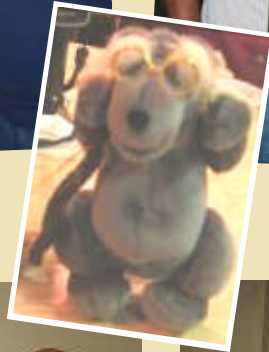

The next meeting is Wednesday, October 13th, at The Flamingos, 1163 East Laketon Avenue. The singing begins at 2:00 and those who wish to have their lunch there should arrive at 1:15.
